

# **Notification to all Importers, Exporters, Clearing & Forwarding Agents**

## **Declaration of Biological Materials**

All Importers, Exporters, Clearing & Forwarding Agents are hereby notified to include the proper scientific name in declaring the Biological Material to Customs, enabling

- Proper identification
- Proper classification and
- Enforcement of related regulations

With effect from 15.11.1999, all declarations regarding biological materials should contain the scientific name in addition to the native term commonly used in describing such items.

**Sgd./S.M.J. Senaratne**  
**Director General of Customs**
