

Registration of importers and exporters

Importers and Exporters are required fill the TIN Registration form, attach the other required documents and provide soft copies of the photos of the Directors to their Customs House Agent.

The TIN Registration form & other required documents are available at the customs.gov.lk---downloads—VAT Registration.

The Customs House Agent should upload the details and photos to the ASYCUDA System.

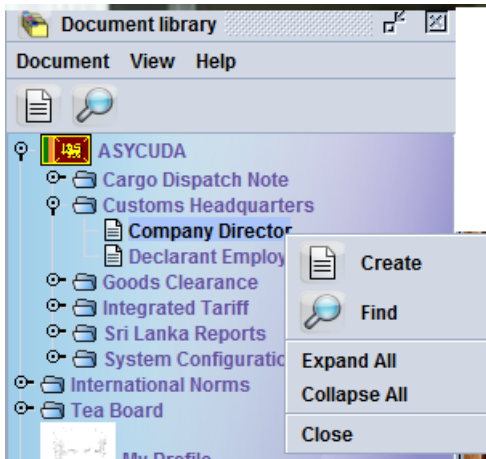

Next the Customs House Agent should come to Customs TIN Registration Unit to activate the company profile.

How to upload the director details are given below.

Log in to the AsyCuda system. Click on Customs Headquarters and then on Company Director.

Click on Create.

Fill in the relevant company details.
