

Sri Lanka Customs Announcement

Intermediate Arrangement of Clearance of Goods

Sri Lanka Customs has now made arrangements to provide clearance to all the goods falling with the HS Chapter 1 to 40 subject to the approval of DC/DDC (Imports Declaration). Priority shall be given to all the food items, medicines and medical and surgical devices.

The items that are not falling under the above-mentioned HS Chapters intended to be used for essential services or manufacturing of essential goods, goods imported under TIEP Scheme and Bulk Cargo shall also be facilitated subject to the approval of DC/DDC (Imports Declaration).

The facilitation of Export processes shall be continued without any interruption
