

Cancellation of BL through a XML in ASYHUB.

ICT DIRECTORATE, SRI LANKA CUSTOMS

Procedure:

1. Use the given XML format.
2. Insert the Customs office Code(eg: SECMB/ SEHBT) within the section mentioned below

Customs_office_code>XXXXX</Customs_office_code>

3. Insert the voyage Number entered in the Asyhub system.
4. Insert the date of Departure
5. Insert the respective carrier code of the organization
6. Insert Place of Departure code and Place of Destination code entered in the Asyhub system
7. Insert the BL details within the below section

<Bol_segment>

<Bol_id>

<Bol_reference>M002</Bol_reference>

</Bol_id>

</Bol_segment>

8. Please use above section repeatedly by adding each BL number separately before the header cancellation header (**</Awmb1Cancel>**) ends
